

# SAN JOSE CONSERVATION CORPS & CHARTER SCHOOL

## Annual Spring Luncheon and 30th Anniversary Celebration Sponsorship Opportunities

Founded in 1987, the San Jose Conservation Corps provides San Jose's most disadvantaged youth, ages 17.5 -27, with the education, job training, and life skills they need to become responsible, productive, and caring citizens.

Santa Clara Valley Water  
District

**Dorsey Moore**  
*Executive Director/CEO*

**Make a Difference in the Lives of San Jose’s Disconnected Youth**

**\$405 million! This is the annual cost - in terms of healthcare costs, lost earnings, crime (victim costs), and other losses – of failing to educate and train the area’s high school drop outs.**

According to research, the number one way to mitigate these costs is to provide drop outs with the opportunity to earn their diploma and gain job skills that will enable them to obtain living wage jobs. For the last 30 years, the **San Jose Conservation Corps & Charter School** has helped more than 20,000 of San Jose’s high school drop outs to realize a 38% increase in their lifetime earnings potential simply by earning their diploma. By helping disconnected youth to become responsible, productive, and self-sufficient citizens, we create healthier communities for us all.

**Sponsor the SJCC&CS Annual Spring Celebration Luncheon and 30th Anniversary Celebration**

**April 27, 2017, 11:30 am - 1:30 pm**

**Rotary Summit Center, 88 S. 4th Street, 7th Floor, San Jose**

When you become a sponsor, you will help improve the lives of hundreds of San Jose’s disconnected, at-risk youth and ensure they get the services and opportunity they deserve.

**About the Luncheon:**

This second Annual Spring Celebration Luncheon will also commemorate SJCC&CS’s 30th Anniversary. To celebrate this milestone, 300 of SJCC&CS’s supporters and partners will come together to reflect on the successes of our corpsmembers and students and to thank some of our outstanding community investors who have supported SJCC&CS over the past three decades. Displays and information will be available about our Career Technical Education Programs in solar photovoltaic installation, turf conversion, information technology, and weatherization/energy efficiency and students will be on hand to share their success stories.

**We hope you will consider becoming a sponsor of this important fundraising event.** All donations received from sponsorships and ticket sales will support the educational and job training programs, with a portion of the funds dedicated to scholarships for students who wish to continue their education at a post-secondary or vocational program.

Please refer to the enclosed sponsorship levels. All donations can be sent to SJCC&CS by mail or made online at [celebration.sjcccs.org](http://celebration.sjcccs.org). Thank you in advance for your support of San Jose’s youth most in need of an opportunity!

Sincerely,

Dorsey Moore  
Executive Director/Head of School

Hamid Saadat  
President, Board of Directors

## San Jose Conservation Corps & Charter School

### Vision

SJCC&CS envisions all young adults empowered by knowledge and skills that will allow them to fulfill their potential and achieve personal and professional success. *Ultimately, we seek to create sustainable communities for all.*

### Impact

Our programs address the needs of San Jose's opportunity youth as well as the economic and social cost to our communities for not providing them with the necessary education and job skills to get a living wage job.

#### Charter School

**214**

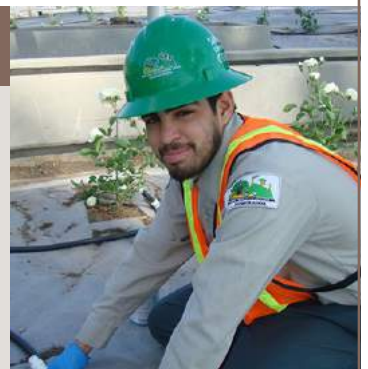

students graduated with a high school diploma in 2016

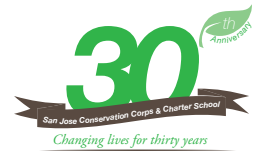

#### AmeriCorps Service

**\$121,201**

earned by 75 AmeriCorps members in scholarships
